Personal Profile:

With confidence and clear communication, I have 10 years experience in the industry, from leading teams in hazardous locations, to scheduling and running large TVCs and Online Content for a wide range of clients, including international motor vehicle brands such as **Ford**, global technology firms such as **Google** and **Samsung** and consumer products like **Lego**, **Sensodyne**, **Sephora** and **Huda Beauty**

I specialise in working on sets with children and also have experience with shooting in/with Public Places, Motion Control (BOLT), Multi-Camera set ups, High Profile Cast, Drone Shots, Large Crowds, Low-Loaders, High End Beauty, Stunts and more. I bring a calm, optimistic and experienced head to set and enjoy helping crew and cast get the project in the can. Based in Dubai, with bases available in London
